Gospel Meditation

Jesus calls his disciples “salt of the world.” No one eats just salt. So, Christians are not meant to replace or do away with the world. They are meant to be agents of preservation and glorification. Notice how often these days the Church seeks to preserve what is threatened: the goodness of marital and family love, the desires of young people for greatness, the value of honest work, healthy economics, and altruistic political engagement, the dignity of the poor and vulnerable. Over and over, we say to a world who wants to throw things out, “It’s worth saving! We’ll preserve it! We’ll show you it’s wonderful.” If we can’t engage the world like that, Jesus says *we* are the ones who get thrown out, because salt alone is worthless.

Jesus only asks us to do for others what he does for us. He is the “salt” of everything in our lives. Is there something in your life starting to rot a bit? Something tasting bland and boring? Let Jesus salt it and see if you like it better.

— *Father John Muir*
