Notice of Office Changes

Due to the Diocese change from Parish Data System (PDS, our parish registration and donation software) to the new engagement software ParishStaq, there will be several office closures to aid in the volume of work required for the change over.

The parish office will be closed to the public Tuesday June 13, Thursday June 15, and the week of June 19-23 due to cancellation of Masses as Father Chris will be away to attend Priest Days.

During the Summer we will be combining some weekly bulletins into a 2 week format. Identical bulletins will be available on both weekends. For Instance the May 28 & June 4 bulletin will be combined. Gospel Reflection

My dad was adopted as a baby. It's a big part of my family's story. His birth mother placed him in a Catholic orphanage not long after birth. A young couple longing for a baby strolled among the bassinets. My father, then only a few months old, looked at the husband and smiled. The man said, "That's my son." They took him home and the family grew. This moment of adoption was a wonderful truth they celebrated even when my dad was a young boy. They told him, "You're even more special than the other children, because we chose you to be our son." My dad's eyes well up with tears of gratitude whenever he tells the story, even eighty-three years later.

What is your story? Do we think or act like unwanted orphans? Who do we believe ourselves to be? As we continue to ponder Jesus' resurrection, we hear him say to us this Sunday, **"I will not leave you orphans."** God doesn't leave us alone like spiritual orphans. The power that raised Jesus from the dead is the Holy Spirit, who is also called the Spirit of Adoption. He chooses us to be His children, to share God's life forever. He gives us a future filled with hope.

We are not orphans anymore! This Easter, that's the story we should share with others. It's the true story we are living right now.

The History of Santa Cruz de Mayo

In the Philippines, May is the month of fiestas, flowers, the Blessed Virgin Mary, and Santacruzán. The Santacruzán highlights the daily rosaries and flower offerings of the little children to honor the Blessed Mother. It is a novena procession which celebrates St. Helena's finding of the cross. According to the legend, Emperor Constantine's vision of the cross led the seventy five year old St. Helena to travel to Jerusalem in search of the Holy Cross (Santa Cruz in Spanish). St. Helena asked her companions to dig at Calvary, the site of Christ's crucifixion, where they discovered three crosses. St. Helena let a sick servant lie on each of the crosses. The cross which cured the servant, she identified as Christ's cross. Today, the feast of the Holy Cross is celebrated on May 3, the day of the Santacruzán.

The idea of holding this event in Oak Harbor was conceived in 1991 by retired U.S. Navy Captain David Young of NAS Whidbey Island. It was an opportunity to strengthen the sense of belonging among Filipino-Americans in the area, and to share this colorful religious and cultural tradition with the community. This feast has been successfully celebrated for 32 years today.
